

# Arizona Congressional District 4 Communities Benefit From LSTA Funds

---

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2014, CD 4 libraries used LSTA awards to:

- Increase Yavapai County Network holdings by 14,000 new items.
- Offer technology like an interactive table and STEM kits to children in Cottonwood.
- Connect citizens with off-site books and other materials through Prescott Public Library Book Nooks.

Youth Technology Project, Cottonwood Public Library

*Not all Prescott community members have library cards and access to materials and services that will increase lifelong learning. Thanks to the LSTA grant and five strong partnerships, we now have embedded library "experts" in the community as well as materials offered in offsite locations.*

*-- Martha Baden, Prescott Public Library*
